

## Intro

# Hazing Reporting Form

A report of alleged hazing may be submitted by a person who was directly affected by the activity, a person who was involved in the incident, or anyone who is generally concerned about a student or group. If you believe you were hazed, have witnessed what you believe was a hazing incident or believe a student group (including an athletic team) is engaged in hazing, please report it. For more details about hazing and support and resources go to [www.hazing.harvard.edu](http://www.hazing.harvard.edu).

Please note that all reports will be sent to the Harvard University Police Department (HUPD), which may open an investigation and/or submit the report to the appropriate Harvard School for assessment for disciplinary action.
